

Castglo – Pages → API Endpoints → Swagger Availability

Generated: 2026-06-02T14:48:23.435Z

Swagger source: <https://castglo-qupm.onrender.com/api-docs.json>

Compares frontend API usage (src/lib/api.ts + src/pages) against Swagger paths/methods.

Missing in Swagger (priority list)

src/pages/admin/AdminBookings.tsx

PATCH /admin/bookings/{param}/status adminAPI.updateAdminBookingStatus

src/pages/admin/ModerationQueue.tsx

PATCH /admin/moderation adminAPI.updateModerationStatus

src/pages/director/ApplicantsManagement.tsx

PATCH /applications/details/{param} applicationAPI.update

src/pages/director/DirectorProfile.tsx

POST /profile/headshot profileAPI.addHeadshot

src/pages/director/DirectorSubmissions.tsx

PATCH /applications/details/{param} applicationAPI.update

src/pages/professional/ProfessionalProfile.tsx

POST /profile/headshot profileAPI.addHeadshot

PATCH /profile/me/professional profileAPI.updateProfessional

src/pages/professional/ProfessionalSettings.tsx

DELETE /subscriptions/payment-methods/{param}

subscriptionAPI.deletePaymentMethod

src/pages/talent/AccountSettings.tsx

DELETE /subscriptions/payment-methods/{param}

subscriptionAPI.deletePaymentMethod

src/pages/talent/Profile.tsx

POST /profile/headshot profileAPI.addHeadshot

PATCH /profile/me/professional profileAPI.updateProfessional

PATCH /profile/me/talent-type profileAPI.updateTalent

Per Page Detail

Page File	Route(s)	Endpoints Called (Detected)
src/pages/admin/AdminAnalytics.tsx Component: AdminAnalytics	analytics	GET /admin/analytics adminAPI.getAnalytics In Swagger
src/pages/admin/AdminBookings.tsx Component: AdminBookings	bookings	GET /admin/bookings adminAPI.getAdminBookings In Swagger GET /admin/bookings/stats adminAPI.getAdminBookingStats In Swagger PATCH /admin/bookings/{param}/status adminAPI.updateAdminBookingStatus Missing in Swagger
src/pages/admin/AdminDashboard.tsx Component: AdminDashboard	(index route under parent)	GET /admin/analytics adminAPI.getAnalytics In Swagger GET /admin/action-logs adminAPI.getActionLogs In Swagger
